Catholic Immigration Services issued this statement regarding President Trump's proposal. "We suggest U.S. citizens who have parents, children 21 years of age or older, married children and siblings who do not have legal status in the USA to file an I-130 status on their behalf, so they can start the process to immigrate. These are some of the categories that President Trump is considering to eliminate within family petitions. For info call 501-664-0340.
