St Leo the Great, Catholic University Parish at ATU appreciates our assistance in identifying students attending next fall. Please let us know if you have a student who plans to attend ATU this fall. Young college students are faced with many difficult decisions when they arrive on campus. Not only do they choose a career, but they also choose a way of life. It is critical that students know THE Catholic presence on campus, and that it is there for them. Special orientation activities for freshmen are offered and extremely successful. The Catholic students who attend the Center and Parish activities love it.

St Scholastica Monastery has recently moved from the historic building into a newly-built monastery on the same grounds. Effective this week, the gift shop has finally made the transition and is open for business. Stocked for First Communion, Lent, RCIA and Confirmation gifts.
