This will help keep all parishioners up-to-date on Church information; help with correct spelling of names in the Bulletin; allow us to assign Collection Envelopes; etc. Also, many decisions by the DIOCESE OF LITTLE ROCK are based upon the number of active members of the parish and may include priority given to staffing of Priests.

Annual statements of individual and family contributions will be mailed out to parishioners after the end of the calendar year. Each individual, or family, wishing to receive a separate statement of contributions, should submit a separate membership form. Your current mailing address is necessary for this mailing. Your physical address is requested in case there is ever a need for Father to visit your home.

Church membership includes many individuals; those who are regular participants in Liturgy; those who are unable to attend Mass on a regular basis due to work or employment conflicts, health reasons, age and infirmity; and/or other situations beyond the control of the individual. Such persons need to fill out this form to let us know that they wish to be considered members of this Parish.

THANK YOU!
